

1 DE SANTA SUSANNA A LA PLATJA DE GARBÍ DE CALELLA

FROM SANTA SUSANNA TO GARBÍ BEACH IN CALELLA

CA Pels passeigs marítims de Pineda de Mar i Calella fins arribar a la punta de la platja de Garbí de Calella, on la serra del Corredor de les Gúlies arriba a mar coronada per un dels fars més coneguts de la costa catalana. Itinerari absolutament pla.

EN Along the promenades of Pineda de Mar and Calella until you reach the tip of the beach of Garbí de Calella, where the Corredor de les Gúlies mountain range reaches the sea crowned by one of the most famous lighthouses on the Catalan coast. Absolutely flat itinerary.

5 PELS CAMINS DEL MONTNEGRE

ALONG THE PATHS OF MONTNEGRE

CA Una alta ruta força interessant i il·lustrativa del que és el Montnegre més marítim, amb un traçat agradable. Passem per punts d'interès com l'Ermita de l'Erola i, sobretot, Hortsavinyà. Cal destacar el recorregut per alguns trams de carena i la bona visibilitat sobre el Maresme.

EN The high route offers an immersive glimpse into Montnegre's maritime heritage. We pass by points of interest such as the Erola Hermitage and, above all, Hortsavinyà. It is necessary to emphasize the route by some sections of ridge and the good visibility on the Maresme.

7 CIRCULAR DES DE SANTA SUSANNA, TORDERA, SANT LLOP I HORTSAVINYÀ

LOOP TRAIL FROM SANTA SUSANNA, TORDERA, SANT LLOP AND HORTSAVINYÀ

CA Magnífica ruta circular, de gran envergadura. Comença recurrent la conca baixa del riu Tordera, puja al castell de Palafolls, baixa fins al poble de Tordera i, des d'allà, comença a pujar pels contraforts nord-est del Montnegre per entrar de ple en el Parc Natural del Montnegre i el Corredor.

EN The route is a magnificent loop trail of great scope. It starts along the lower basin of the river Tordera, goes up to the castle of Palafolls, goes down to the village of Tordera and, from there, begins to climb the foothills northeast of Montnegre to fully enter the Natural Park of Montnegre and the Corredor.
